Title: Mallik Gas Hydrate Production Research Program
Weekly Science Report #5 Addendum
February 19 - 25, 2008

Author: Scott Dallimore

Status: Final report

Affiliation: Natural Resources Canada
9860 West Saanich Road
P.O. Box 6000
Sidney, BC
V8L 4B2

Prepared for: General distribution

Submission date: February 25, 2008

Review status: R. Bowen/S. Dallimore
Unedited technical report as provided by lead NRCan
scientist. It is included here as background program
documentation only.

Distribution: Public
